

# Look Before You Book a Massage In WA State

<https://fortress.wa.gov/doh/providercredentialsearch/>

WA State Massage Therapists are healthcare providers licensed by the Board of Health. All MT's must hang their license on the wall and have photo ID that matches. License numbers must be on all marketing Material.

## Draping is Required

### Sheets or Large Towels

Everyone receiving massage must be covered by draping that is very specific for WA State MT's.

### Reflexology is different from foot massage

Reflexologists are licensed by the Board of Health.

Check the licenses at the Foot massage spas too.

### Special Licenses Required

Animal Massage Therapists require special training

Massage Therapists who work inside the mouth for TMJ issues require special training.

Massage therapists providing breast massage need special training and consent.
